

# Summer College Visit Checklist

#### Before You Get In the Car

- Research the tour times and departmental summer schedule
- Make appointments to talk to an admissions counselor and financial aid counselor
- Make an appointment with a professor or instructor in your major or interested subjects
- Can you stay overnight in a dorm? If not, book a hotel
- Use mapping apps (like <u>Waze</u>) to figure out the traffic and best times to leave
- Check the weather forecast and pack accordingly. Refillable water bottles, sunscreen, good walking shoes are musts
- Do some IG hashtag research. See what students are doing on their own and what the university's social media is like
- ☐ Make a great playlist (and ask for your passenger's input too)

## **Once You're On-Campus**

- ☐ Get there early for your campus tour to poke around
- ☐ Take lots of pictures on your campus tour
- □ Talk to your tour guide. Need help with some questions?
- Meet with admissions counselors and the financial aid office
- ☐ Then, take a walk around the campus by yourself
- ☐ Find the student newspaper and other student publications department newsletters, reviews, etc.

## **Once You're Off-Campus**

- ☐ Walk (or drive) around the college town
- ☐ Figure out how students get around off campus -- are there buses? Is it easily walkable?
- What's the closest grocery store or mall? Movie theater? Concert venue?
- What's the most popular off campus restaurant. On campus dining is fun for a while, but you will grow bored of it

### **Room and Board**

- ☐ Spend a night in a dorm
- Eat some meals in the on-campus dining hall(s)
- □ Check out alternative living arrangements: Theme-specific housing, Greek life, or off-campus housing opportunities

#### Talk the Talk

- ☐ Get over your fear of talking to strangers! Ask students why they chose the school or what they would change about it
- □ Ask them what they do on weekends and breaks
- What are their favorite things to do?

## **Investigate Your Major**

- Meet with professors or instructors in your major or interested subjects
- Attend a class
- ☐ Investigate the career planning office
